Trip Info

Vision:

Join us as we serve in Kenya alongside our church partner, Mercy Nairobi, and partner with them in their desire and mission to see a Gospel awakening that is carried to the ends of the earth. On this trip, we will have a strong focus on evangelism, ministering through various activities in children's homes, sharing discipleship lessons in elementary and high schools, and outreach in college campuses.

We believe that one day people from every tribe, tongue, and nation will worship God around His throne. It is estimated that the capital city of Nairobi has a population of around 5 million people, making it the most populated city in Kenya. Nairobi means, "cool water." We pray that as we share, people will have open ears to hearing about the living water found in Jesus.

What's Expected:

As a team member joining our partners in Uganda, you will play a key role in sharing the Gospel in many different contexts. You will have the opportunity of joining in one-on-one relational ministry, while engaging with people of all ages. Expectations include:

- **Evangelism** - A heavy part of this trip is evangelizing to men, women, and children. Be prepared to share the Gospel in contexts such as schools, in children's ministry, churches, and as you are exploring the city.

- **Maintain flexibility** - Scheduled activities are subject to change due to various factors so maintaining a spirit of flexibility allows you to be open to any changes God may have for your team.
- **Care** - Serving on a short-term mission trip is a great way to serve and care for our long-term missionaries. Offering to cook a meal, watching their children so they can go out, cleaning, game nights, etc., are all great ways to care for our missionaries on the field.
- **Show Up** - Be present for all pre-trip and post-trip meetings as well as all in-country activities. We want you to make the most of your time as you engage the nations with the hope of the gospel.
